The parents should make it a point that they have a reasonable time spent with their kids with good books around. Static Library bookworms library is a unit of Infinitebooks.com Private Limited started in Dec 2001. They figured out that a possible reason is that there is no good library in their neighbourhood where focus could be diverted to reading.

What re the gains on reading book? You get every thing under the sky - It helps improving your vocabulary, knowledge, knowing more about places or countries that you can not visit, knowing more people whom you can not meet.

Order your copy before 30th May 2007 Ads | Call 91-044-24899779 to get in touch with the official bookworms.

Child psychologists have very often stressed upon the importance of reading .

Classes on Spoken Hindi and Spoken Japanese are also a few features of this library.
