The parents should make it a point that they have a reasonable time spent with their kids with good books around.

It s this habit that helps them to walk through the better spheres of education, career and the other prospects .

They figured out that a possible reason is that there is no good library in their neighbourhood where focus could be diverted to reading.

Mobile Library bookworms has been at the receiving end of many complaints from parents that children are wasting time in watching TV soaps, and playing addictive Computer games.
