Child psychologists have very often stressed upon the importance of reading .
their homes to our KK Nagar library , we at bookworms, felt the need to
They figured out that a possible reason is that there is no good library in their neighbourhood where focus could be diverted to reading.

Apart from serious subjects, coaching on Chess is also undertaken for kids aged above 5 years.

The parents should make it a point that they have a reasonable time spent with their kids with good books around.
