Child psychologists have very often stressed upon the importance of reading .

Apart from serious subjects, coaching on Chess is also undertaken for kids aged above 5 years.

They figured out that a possible reason is that there is no good library in their neighbourhood where focus could be diverted to reading.

| Facility of Online & Mobile Edition will be available only to the Chennaities |

The parents should make it a point that they have a reasonable time spent with their kids with good books around.
