The parents should make it a point that they have a reasonable time spent with their kids with good books around. Classes on Spoken Hindi and Spoken Japanese are also a few features of this library.

They figured out that a possible reason is that there is no good library in their neighbourhood where focus could be diverted to reading.

Although there are a few members who take the pain of traveling over 10kms from

Child psychologists have very often stressed upon the importance of reading .

It s this habit that helps them to walk through the better spheres of education, career and the other prospects .
